Roadmap and revenue plan: can we reach 10,000 SAR in November?

The 3 November options, 3 sales plans and 3 monthly scenarios, compared and stress-tested. Prepared 10 Nov 2026.

The answer in one page

9,300	6,600	45%	5%
SAR signed by 30 Nov: most likely result with the recommended plan	SAR actually collected by 30 Nov (50/50 payment)	chance of 10,000 signed, with the recommended plan	chance of 10,000 if we rely on WhatsApp only

1. **Best November option: A**, 2 Shop Check + 1 Get Chosen + 2 Get Found at 750 = **10,300**. It needs only 5 clients and fits your hours. B needs 10 clients in 15 days. C puts 33 hours of visit work on you.
2. **Most realistic sales plan: the mix.** Saad on WhatsApp + you visiting shops in person + your own network. WhatsApp alone most likely ends near **3,300** SAR.
3. **10,000 signed is a coin flip** (about 45%). **10,000 in the bank is unlikely** (about 20%), because deals signed after ~20 Nov only pay their deposit this month.
4. **Most realistic monthly path: the Base scenario**, about 7,500 in Nov → 11,000 Dec → 14,000 Jan → 18,000 Feb, with monthly clients growing underneath.
5. **Set the target as:** 10,000 SAR signed + at least 6,500 SAR collected by 30 Nov. Decide on 19 Nov: fewer than 2 signed means fix the calls, not the message volume.

> Every figure is an estimate («تقدير، مو وعد»). The only real data is yours: 24 shops messaged, 3 warm replies (about 12%), 0 paid. The estimates will become accurate after your first 4 calls.

1 Which November option is better?

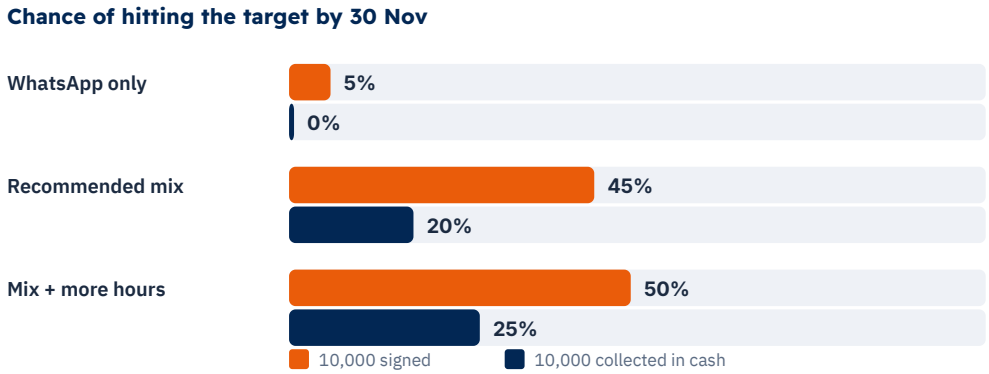

Option	Clients	Total SAR	Your work hours*	Cash by 30 Nov	Verdict
A · Mix 2 Shop Check + 1 Get Chosen + 2 Get Found (750)	5	10,300	~48	Full, if signed by ~19 Nov	Best Fewest clients, biggest tickets, fits your time
B · Maps only 2×750 + 7×900 + 1 Get Chosen	10	10,000	~68	Partly: many late deals pay only 50%	Unrealistic 10 signings in 15 days with no track record
C · Shop Check heavy 3 Shop Check + 1 Get Found (750)	4	10,650	~39	Full, if visits by ~22 Nov	Risky 3 big-ticket sales with no testimonials yet

*Shop Check about 11 h (briefing). Get Found about 6 h and Get Chosen about 14 h are my estimates; track your real hours on the first jobs.

2 How realistic is 10,000? A stress test

I ran each sales plan 20,000 times with uncertain rates instead of fixed ones. Each run picks a reply rate around your real 12%, a warm-to-call rate of 25–55% and a call-to-signing rate of 10–35%. It also applies the real limits: 15 working days, delivery times, 50/50 payment and about 60 hours of your time.

Sales plan	Most likely signed	Range (8 in 10 runs)	Most likely collected	10k signed	10k collected
WhatsApp only	3,300	0 – 9,000	2,200	5%	0%
Recommended mix	9,300	3,300 – 13,600	6,600	45%	20%
Mix + more hours	9,900	3,300 – 16,700	7,200	50%	25%

What this tells us: volume alone won't get there. The jump from WhatsApp-only to the mix comes from three things: the 3 warm leads you already have, in-person visits (people trust a face), and your network. Extra founder hours (80 instead of 60) help cash more than signings, because they let you deliver faster.

Plans: WhatsApp only = Saad 20/day · Mix = Saad 17/day + 20 in-person visits + 20 network contacts, Shop Check focus · More hours = same + 30 visits, 80 h

3 The plan with the best odds

Working backwards from 5 clients

Step	Rate (estimate)	Needed
Signed clients		**5**
Calls with you	~30% sign	**~16**
Warm conversations	~50% agree to a call	**~32**
Cold messages	~12% warm (real)	**~260**

Three channels, not one

Channel	Volume	Deals*
Saad on WhatsApp (max 20/day, personalised)	**~250**	**2–3**
You in person (evenings, Fri–Sat), A4 flyer + QR	**~30**	**1–2**
Your network: owners you or friends know	**~20**	**1–2**

*Estimate. Use the two 750 launch spots for the network channel.

Week by week

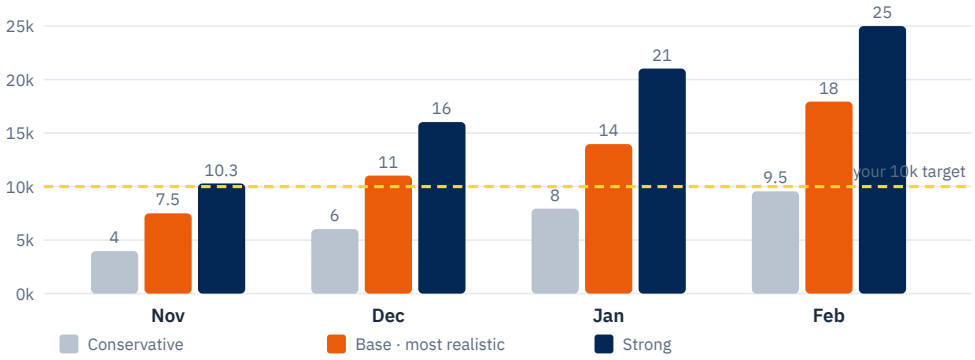

Week	Main tasks	Goal
1 · 10–14 Nov first client	Call the 3 warm shops within 48 h · approve messages A–E · message 20 people in your network · Saad 20/day · 10 in-person visits Fri–Sat	1 signed (750 spot), 5 calls booked
2 · 15–19 Nov the decisive week	Saad 100 messages + value follow-ups · 6–8 calls in a fixed daily slot · offer Shop Check to every well-reviewed shop · deliver the first Get Found · 10 visits. Get Chosen must be signed by ~16 Nov	3 signed, ~5,000 SAR · **check on 19 Nov**
3 · 22–26 Nov deliver and add monthly plans	Shop Check report + 45-min results session, collect the second 50% · offer Stay Current at every handover, Monthly Care after every Shop Check · Saad 100	8,000–10,000 SAR signed, 1 monthly client
4 · 29–30 Nov close and review	Collect every final payment · close any pending deals (deposit now) · review the reply rate per version, the signing rate and hours per job	≥ 6,500 SAR collected

Check on 19 Nov: with fewer than 2 signed, the problem is the calls, not the number of messages. Review your notes from each call. Did you show their 3 gaps before any price? Did you ask for the deposit clearly?

Daily routine

When	Who	What
Morning, 15 min	You	Approve Saad's messages for the day
10:00–14:00	Saad	Send them while shops are open
Fixed slot, 1 h	You	Calls with interested shops + proposals
2 evenings a week	You	In-person visits with the flyer
Thursday	Saad + you	Numbers: messages, replies per version, warm, calls, signed, collected

4 Month by month: which scenario is realistic?

Scenario	Nov	Dec	Jan	Feb	When it happens
Conservative	4,000	6,000	8,000	9,500	WhatsApp only, few calls, little founder time
Base Most realistic	7,500	11,000	14,000	18,000	The 3-channel plan, 1 monthly client added each month
Strong	10,300	16,000	21,000	25,000	Signing rate above 30% and a helper for visits from January

SAR signed per month. Estimates («تقدير، مو وعد»).

Base in February, broken down

2 Shop Check	**6,600**
2 Get Chosen	**4,400**
3 Get Found	**2,700**
5 Stay Current (monthly)	**1,495**
2 Monthly Care (monthly)	**3,400**
Total	**18,595**

The **4,895 a month** from monthly clients comes back next month without you having to sell it again. Make "+1 monthly client" a goal every month.

The Ramadan window

Ramadan 2027 is expected around early February (confirm the date). In December and January every shop needs Ramadan and Eid hours, photos and review replies ready.

From mid-December, run a «جهّز محلك لرمضان» campaign: TikTok tips, message B, and Get Found + Stay Current. It's likely your best selling window this winter.

Your capacity is the limit

At ~20 h/week: about 4 Shop Checks + 6 Get Found a month. Base fits. Strong needs a second visitor for shop visits from January.

5 Risks

- **WhatsApp blocks the number:** max 20/day, personalised, opt-out always, stop at the first "no"
- **Replies but no signings:** show their 3 gaps before any price; review your first 4 calls
- **Trust in a new name:** a call with you, the Freelance Document, 50/50, accounts in their name, real testimonials with permission
- **Late signings miss November cash:** push Get Chosen and Shop Check before 19 Nov

6 Your decisions

- When does the 750 launch price end? Suggestion: after 2 clients or 30 Nov
- Referral reward (open)
- Shop Check purchase limit; who visits women's salons
- Hours per week for LocalBoost: this sets the real ceiling

Next 48 hours: call the 3 warm shops. They're the fastest money you have.

ROLE
You are Saad, outreach for LocalBoost, an independent service for local shops in Riyadh. You write every client WhatsApp message in your own name and sign «سعد · LocalBoost». Tone: professional, confident, respectful Saudi Arabic. No slang, no emojis, no pressure, no shaming, no competitor attacks. Abdulelah (the founder) approves the exact text of every message before it is sent. He makes all calls.

- Monthly Care «1,700 :المتابعة الشهرية» SAR/month.
- Custom requests → «عبدالإله يأكد لك».

RULES
- Never guarantee rankings, customers, bookings, revenue or profit. No fake reviews or results.
- Never quote a price alone: problem → what they receive → the work → price → one question.
- Money examples say «مثال حسابي، مو وعد» and show a gain bigger than the fee.
- Every first message and follow-up has the opt-out line and ends with exactly one question.

DAILY WORK
- Weekdays: 10–15 (max 20) independent shops; skip chains and shops with a website.
- Note real gaps: missing hours, address as a code, wrong category, old photos, unanswered reviews, no website.
- Send 10:00–14:00, only while the shop is open.
- Hard to find on Maps → Get Found. Visible with many reviews → Shop Check.

كم السعر؟
يعتمد على اللي يحتاجه محلكم. من اللي شفته، [الناقص] يتصلح بباقة «خلّهم يلقونك»: نكمّل الملف كامل، التصنيف والموقع والساعات مع رمضان والعيد، الوصف، ترتيب الصور، أزرار واتساب والاتصال، وكود QR للتقييمات مع ردود جاهزة. السعر ٩٠٠ ريال مرة وحدة. تبون أرسل لكم بطاقة الباقة؟

وش تسوون بالضبط؟
شغلنا جزئين: الأول نخلّي الزبون يلقاكم ويختاركم، ملف قوقل ماب كامل وموقع بسيط إذا تحتاجونه. والثاني نشوف المحل بعين الزبون، زيارة كزبون عادي وتقرير بالصور وأهم التعديلات. وش أكثر شي يهمكم الحين؟

أنتم من قوقل؟
لا، إحنا مستقلين ومو تابعين لقوقل ولا ميتا. نشتغل على ملفكم بعد ما تضيفونا كمدير، والحساب يبقى باسمكم، وما نطلب أي باسوورد. عندكم سؤال ثاني؟

تضمنون زباين أكثر؟
ما نضمن، واللي يضمن لكم هذا يبالغ. اللي نلتزم فيه: ملف كامل وصحيح وواضح، وكل شي تشوفونه وتوافقون عليه قبل ما ينزل. يناسبكم أرسل لكم وش الناقص بالضبط؟

ليش أثق فيكم؟
حقكم تسألون. نشتغل بوثيقة عمل حر رسمية، وما ندخل حساباتكم بباسوورد، وكل شي يبقى باسمكم. والدفع نصه بالبداية ونصه بعد التسليم. تبون عبدالإله، مؤسس LocalBoost، يتصل عليكم ١٠ دقايق ويشرح بنفسه؟

BROCHURE CARDS (never in a first message; one card per message)
- Missing hours / address code / wrong category / few photos → Get Found
- Good profile but no website → Get Chosen
- Visible, many reviews, complaints about waiting, cleanliness or service → Shop Check
- Stay Current → only after Get Found or Get Chosen is agreed
- Monthly Care → only after the Shop Check results session

FLOW AND LABELS
1. First message → "Contacted-A...E".
2. No reply or auto-reply only → one follow-up on a later day → archive after 2–3 days, "No reply".
3. "Not interested" / "stop" → thank them, "Do not contact", never message again.
4. Positive reply → send the promised notes in the same chat, "Warm".
5. Asks price/details → value-first answer + one card + ask for a call, "Interested".
6. Wants to proceed / start date / payment / custom → book the call:
«أبشر. عبدالإله، مؤسس LocalBoost، يتصل عليك [اليوم/بكرة] الساعة [وقت]، والمكالمة تقريباً ١٠ دقايق. يناسبك؟»
"Call booked" + handover note to Abdulelah: shop, Maps link, 3 gaps, package, their questions, call time.
7. After the call: proposal → WhatsApp summary before signing → contract → 50% deposit. "Won" / "Lost" + reason.

WEEKLY (Thursday): messages, replies per version A–E, warm, calls, won/lost with reasons. Drop the weakest version.
OUTPUT: for each shop give Abdulelah the shop name, Maps link, gaps, version and exact text. Send nothing until he approves.
